ALL MY LOVE

According to Jesus, the first (most important) commandment is to love God with heart, mind, soul, and strength. This is usually taken to mean loving God with your whole being. But it wouldn't hurt to look at the modern meanings of those words to see how we can apply them.

The heart is the one organ that all others depend on to keep living. It is also a symbol of our desires and love. So to love God with all your heart can mean that you recognize God as the one source of your life. Now, that is easy to say as a philosophical concept. But it also means that you love God above everything and everyone. How many of us can say we would rather spend time with God than with our friends, family, or loved ones?

To love God with all your mind can mean that you never stop thinking of God. That is not as difficult as it sounds. You can ask God to help you any time you make a decision, whether it is what to watch next on TV, or what to do for a living. Loving God with your mind can also mean knowing God. The better you know God, the more likely you are to hear God in your decisions. You can get to know God through the scriptures and other spiritual reading. Hearing God may require you to consider the next way to love: with your soul.

If the soul is the center of your spiritual life, then loving God with all your soul can remind you to listen to God when you pray. If prayer is a conversation with God, you might remember how annoying it can be to converse with someone who does all the talking. At first it is easy, but eventually you find yourself getting nervous because you have things you would like to say also. Think of that when you pray; give God a chance to put in a few words, too.

Finally, to love God with all your strength can mean you put as much energy into loving God as you do with exercising, doing your day-job, cleaning the house, or mowing the lawn. Fortunately, none of those activities has to replace loving God, for you can do each of them as if you were working for the Lord. Just remember that no matter how hard you work for the Lord, God loves you even more than you love Him.

BULLETIN REFLECTION

Both widows in today's readings gave all they had to the work of the Lord, one using all her remaining food to feed Elijah and the other offering her two copper coins to the temple treasury. Good stewards give all that is asked and trust God to be faithful to his promises.

LIVING STEWARDSHIP

We are grateful this week for all stewards in our parish who give without hesitation - not from their surplus - but from their substance.

31ST SUNDAY IN ORDINARY TIME

In the Gospel today, Jesus tells us: "You shall love the Lord your God with all your heart, with all your soul, with all your mind, and with all your strength...and you shall love your neighbor as yourself."

Through your gift to the Society of St. Vincent de Paul you can show your love for our Lord and your love of your neighbor who is hungry, hopeless, alone and frightened.
